

Object Formation in R

Code ▾

Snehil

Hide

```
# favorite band, creating with these memebers  
theDoors <- c('jim','rey','robby','john')
```

Hide

```
print(theDoors)
```

```
[1] "jim"    "rey"    "robby"  "john"
```

Add a new chunk by clicking the *Insert Chunk* button on the toolbar or by pressing *Ctrl+Alt+I*.

Hide

```
# adding one more member  
theDoors <- c(theDoors, 'snehil')  
  
print(theDoors)
```

```
[1] "jim"    "rey"    "robby"  "john"   "snehil"
```
